Ann, no worries, I do not need an exact list. Just do not want to exclude anybody in the introductions, perhaps you can help me. :)

Hi Marylou,
It's hard to get them to RSVP--I have already asked twice. You heard from Libby and Denise and they have been very active on this issue. Ken Merrill from Kalispel and Tom Gibboney from Quinault did RSVP to me. I think Fran, Todd Bolster, and I will all be on the call representing NWIFC. I think there will be quite a few more. I may have to send you the list very last minute.

I was only able to send this agenda to

lnelson@tulaliptribes-nsn.gov & dtaylor@suquamish.nsn.us

Since those were the only tribal contacts from your list that I heard back from and I could not access the list you sent the email to.

Can you please forward this email to your tribal contacts?
Also, it would be helpful if you could give me some sense of who would be on the call to help me with the introductions portion of the agenda.
I will be in Boise tomorrow and Wed on the HHC work efforts so information by Thurs am would be great if possible.

Thanks, Mary Lou

Informational Conference Call with WA Tribes on EPA Work Efforts on WA FCR
Feb 7th, 2pm - 3pm Pacific Time

Call in Number: 866-299-3188, Conf Code 5033265873#

This is a conference call with WA Tribes, Tribal Consortia, and EPA Region 10, to share information on EPA Region 10 work efforts on State of WA Water Quality Standards work efforts. We have held similar conference calls with OR and ID tribe on Human Health Criteria work efforts and we felt this would be a great opportunity to share information on these important work efforts in WA.

Proposed Agenda

1. Welcome/Introductions
2. Background on Purpose of Call
3. EPA Updates on Washington WQS
4. Government Leadership Framework
5. Q&A

Please contact me if you need specific information about the call.

Thanks, Mary Lou
